**2019 MARKS A MONUMENTAL YEAR FOR REGENT STREET AS WE CELEBRATE ITS 200<sup>TH</sup> ANNIVERSARY.**

Established in 1819, Regent Street has been at the heart of London for two centuries. Throughout its years as the first purpose built shopping street for the capital, it has been the meeting place of the likes of Oscar Wilde and Charles Dickens as well as the birth place of Ziggy Stardust.

Today, it has evolved into a world-renowned destination providing innovative shopping, dining and wellness experiences as well as memorable moments including its iconic Christmas lights celebrations and Summer Streets.

Join us throughout the year as we celebrate our heritage and look to the future with special experiences and on-street events.
